Unpacking Notification

WARNING

Do not lift the KMR200 system from the knobs. This action could damage the system.

To properly unpack the KMR system, refer to the following figure and perform the following steps:

1. Locate the lifting slots indicated with green in the following figure. **Do not** attempt to lift the KMR system from the knobs marked in red in the following figure.
2. Lift the system from these slots out of the shipping crate.
3. Refer to the ***KMR Series Systems User Guide (PN 6291)*** for detailed information on setting up and operating the KMR system.
